Fashion Revue Script - due Friday, June 13th.

When writing your script, write as if you would like to have it read. Be sure to include a leading sentence. That's the first sentence that catches the audience's attention. Think of something that will tie the outfit to the personality of the person modeling. The next step is to describe the outfit. Include: style, design, fabric, trim, color of outfit; personal likes and dislikes; description of accessories and where garment is to be worn.

Example: What to wear for dressy occasions won't be a problem for Mary Smith of the Lucky Clovers 4-H Club. She has purchased this blouse of poly rayon which features a double collar with black as the accent color. The hidden placket closure is also trimmed in black. Her long straight high-waisted skirt of black ploy repeats the accents in her long sleeved blouse. To complete her look she wears a wide black leather belt and shoes. Mary will be a sophomore at Kinsley High School this fall. She enjoys swimming, softball and going out with her friends.
